AP Design is a full-service marketing company specializing in signs, decorated apparel, vehicle wraps, promotional items, and awards. We create high-quality branded solutions for customers throughout southwest Minnesota, including businesses, schools, athletic teams, and community groups. Our Marshall facility includes a showroom and a full production shop. Every day at AP Design is fast-paced, creative, and rewarding.

We're looking for a reliable, detail-oriented person to join our production team as a Screen Printing Specialist. In this role, you'll operate our automatic screen printing press to produce custom t-shirts, sweatshirts, and other items for our customers. No experience? No problem - we'll train the right person.

Why You'll Love It:

This is hands-on, creative work where you'll see the results of your efforts at the end of each day. You'll learn the full screen printing process, from prepping and setting up screens to running production, and take pride in producing apparel that our customers love.

What You'll Do:

- Prepare and set up screens for printing
- Mix inks and ensure proper color matching
- Operate the automatic screen printing press for production runs
- Clean and reclaim screens after use
- Maintain a clean, organized work area
- Assist with packaging finished products
- Work closely with the production team to meet deadlines

What You Bring:

- Attention to detail and pride in doing quality work
- Willingness to get hands-on (you will work with inks and cleaning solutions)
- Ability to follow detailed instructions and processes
- Reliability and a positive, team-oriented attitude
- Ability to lift up to 50 lbs and stand for extended periods
- Experience is a plus but not required - training provided

Perks & Benefits:

- Health Insurance
- Vacation & Paid Personal Days
- Employee Discounts
