AP Design is hiring a full-time Decorated Apparel Specialist to join our embroidery production team. This role combines hands-on production, organization, quality control, and creativity. You'll work with state-of-the-art embroidery equipment while producing apparel for businesses, schools, athletic teams, and community organizations throughout southwest Minnesota.

## Why You'll Love It:

Every day is different. One project might be embroidery for a local business, the next for a championship team, community event, or trade show. You'll work with modern embroidery equipment in a fast-paced environment where quality matters and your work is seen throughout southwest Minnesota.

No embroidery experience? That's okay. If you're dependable, organized, enjoy hands-on work, and take pride in quality, we'll teach you the rest.

**The best part?** You'll work in a friendly, relaxed, air-conditioned production environment where headphones are generally welcome during production work (when appropriate). Every project that leaves our shop represents a local business, school, team, or organization, and you'll help create products people are proud to wear.

## What You'll Do:

### Embroidery Production

- Prepare garments for embroidery
- Hoop garments and apply backing
- Operate modern multi-head Tajima embroidery equipment
- Monitor stitch quality and thread colors
- Finish, trim and inspect finished garments for quality, placement, and thread accuracy.

### Production Support

- Receive and organize incoming apparel for production
- Package completed orders
- Maintain embroidery equipment
- Keep production area organized

### Teamwork

- Work closely with designers and production staff
- Help prioritize production schedules to ensure customer deadlines are met
- Maintain AP Design quality standards

### **What We're Looking For**

- Strong attention to detail
- Pride in producing quality work
- Comfortable learning equipment
- Organized
- Reliable
- Positive attitude
- Ability to stand/lift 50 lbs.
- Experience with embroidery is a plus, but we'll train the right person.

---

### **Perks & Benefits:**

- Health Insurance
- Vacation & Paid Personal Days
- Employee Discounts
- Stable schedule and supportive team environment
- Opportunity to grow skills and responsibility over time
- Weekends and evenings off
- A fast-paced, fun environment where people genuinely enjoy coming to work
- The chance to be part of something bigger - helping our customers, supporting local businesses, and making cool stuff every day
